AAC Asks County to Hold Rents until 2010

As a symbol of their understanding of the tough economic times small aircraft owners are facing, American Airports sent a letter to the County of Los Angeles asking them to defer the annual Consumer Price Index ("CPI") rent increase until April of 2010. AAC did so after listening to the concerns of several of the pilot associations at the County-owned airports. AAC's recommendation was heard by the County's Aviation Commission who voted to approve the deferral.

As a result, the 3.9% rent increase which the County-owned month to month hangars were scheduled to receive this August will be held until next year and incorporated into next year's CPI adjustment.

The 6th Annual Whiteman Airport Association BBQ and aircraft display day were held at Whiteman Airport on July 12th. Association President, Don Hagopian, and Secretary, Shellie Hagopian along with numerous Association member-volunteers did another terrific job in conducting the event - over 200 people attended!

Aviation Explorers Airplane Wash Fundraiser

The Aviation Explorer Post 747 (a non-profit organization) held its recent airplane wash fundraiser on July 12th at the wash-rack at Whiteman Airport. All of the proceeds go directly to the Aviation Explorers who are comprised of local young adults ages 14 to 20 who are all interested in careers in aviation. The Program exposes participants to the various facets of aviation through field trips, volunteer opportunities, community service, and low cost flight training, among other activities. Look out for their next fundraiser. It's a great cause and your contributions help to keep the Program strong.
